

*Tricia Knight, CPA*  
*1955-2022*

Tricia spent over 40 years passionately serving her clients and the Milwaukee community. She fell in love with accounting and was one of the first female partners in Wisconsin. She fought to shape the future of accounting through her advocacy efforts, mentorship and leadership skills. She impacted so many lives through her kindness, community giving and professional work. Tricia was an inspiration to everyone who knew her.

She was the embodiment of our mission to serve our clients and the community with passion, exceptional knowledge and superior service. We celebrate the life of our dear friend and colleague.
